As an employee		About Myself:
Keywords	<ul style="list-style-type: none">• Driven• Empathetic• Creative• Eager to Learn• Flexible• Reliable• Perseverance• Team Player• Problem-Solving• Organized• Innovative• Self-Aware• Positive• Communicative• Responsible	<p>Hello,</p> <p>My name is Sarjal Levi Das, and I see myself as a versatile person with a wide range of interests. I enjoy helping people and contributing to the world through technology. I aim to further develop myself as a person by continuing to learn.</p> <p>I have always enjoyed learning and researching. As someone with dyslexia, I view my challenges as opportunities to grow and learn. My flexibility and adaptability have always helped me to handle changes well, both personally and professionally.</p> <p>I am determined not to see my dyslexia as a limitation, but rather as a unique aspect of my personality that stimulates my perseverance and creativity. I am an eager learner and can't wait to explore and apply the latest developments in the IT world in my future career.</p> <p>Accuracy and thoroughness are qualities I value in my work, and I believe they will help me acquire new IT skills. I take responsibility for my tasks and work with dedication to achieve my goals.</p> <p>I enjoy working in a team environment because I believe that collaboration can be inspiring and productive. I look forward to combining my personal and professional skills during my retraining towards the IT industry.</p>
